

EQUIPMENT

POULTRY CUTTER **PC-1SS**

The PC-1SS Tabletop Poultry Cutter offers the standard features of the Powerline PC-1 Poultry Cutter, but in a more durable and appealing fully stainless manner. Like the PC-1, it's suitable for use in restaurants, produce markets, or other food processing applications.

STANDARD FEATURES

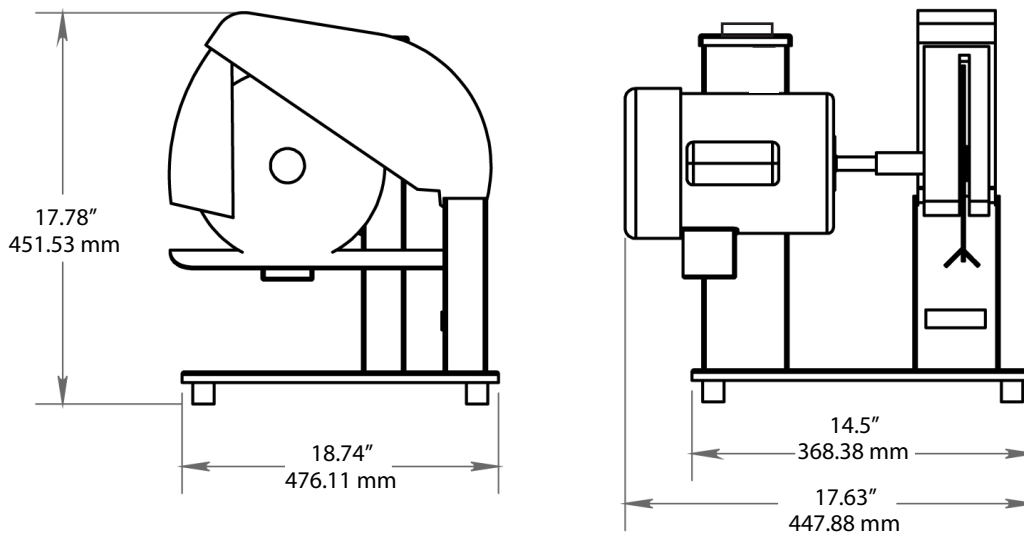

- Fully stainless steel body with a chrome plated guard
- Stainless steel base, knife cover, knife protector, knife guide
- Waterproof on/off switch
- Waterproof lead sensor type interlock switch
- Magnetic start and overload relay
