

EQUIPMENT

PLANETARY MIXER PM-80

Heavy-duty mixers are designed to operate safely and efficiently under heavy work conditions. These mixers are built to the safety standards of CE & EMC, utilizing stainless steel safety guards. A virtually silent hardened alloy gear transmission is powerful enough to keep up with peak demands. Our gears are 25% greater in size than those in competitive models.

STANDARD FEATURES

- Automatic/manual bowl drive option
- 6 ft. flexible 3 wire cord and ground prong/plug
- Air cooled grease packed ball bearing
- Heat-treated, hardened alloy, precision milled gear transmission
- Long lasting rubber composite cogged belt
