

EQUIPMENT

This high quality stainless steel bowl cutter is quite the workhorse of a unit. With a bowl revolving at 22 RPM, the twin cutlery grade SS knives make 3,768 cuts a minute. Optional attachments include the VS9 vegetable cutter, VS9H shredder and grater (great for coleslaw or grated/shredded cheese), and the ALMFC12 meat and food chopper, excellent for grinding beef, pork, or sausage. Additionally, you can enhance this high quality product with either the (1000452) plastic cover or (1701400 S-5B) stand, which makes operation easier.
